

**THE NORTH-WEST FRONTIER PROVINCE SALINITY CONTROL AND RECLAMATION OF LAND ORDINANCE.. 1987.**

**5th December, 1987.**

**N.-W. F. P. ORDINANCE NO. VI OF 1987.**

**AN ORDINANCE**

*to make provisions for facilitating the execution of schemes for drainage of sub-surface water and removed of hinderance in installation of sub-surface drains in the North-West Frontier Province.*

WHEREAS it is expedient to make provision for the  
Preamble. execution of schemes for drainage of sub-surface water and removal of hinderance in installation of sub-surface drains and maintenance thereof in the manner hereinafter appearing;

AND WHEREAS the Provincial Assembly is not in session and the Governor of the North-West Frontier Province is satisfied that circumstances exist which render it necessary to take immediate action;

NOW, THEREFORE, in exercise of the powers conferred by clause (1) of Article 128 of the Constitution of the Islamic Republic of Pakistan, the Governor of the North-West Frontier Province is pleased to make and promulgate the following Ordinance:

Short title, extent and commencement. 1. (1) This Ordinance may be called the North-West Frontier Province Salinity Control and Reclamation of Land Ordinance, 1987.

1. It shall extend to whole of the North-West Frontier Province.
2. It shall come into force on such date as Government may, by Notification in the official Gazette, appoint in this behalf, and different date may be appointed in respect of different areas or parts of the province.

Definitions. 2. In this Ordinance, unless the context otherwise requires,—

1. "Authority" means the Secretary to Government, Irrigation and Public Health Engineering Department or an officer authorised by him to exercise the power or Authority under this Ordinance;
2. "deep-rooted tree" means the trees specified in the Schedule to this Ordinance and includes such other trees as Government may, from time to time by Notification in the official Gazette add to the said Schedule;
3. "Government" means the Government of the North-West Frontier Province;

1. "Local area" means the area notified by Government from time to time under sub-section (3) of Section 1 of this Ordinance;
2. "prescribed" means prescribed by rules made under this Ordinance;
3. "scheme" means a scheme framed under section 4 of this Ordinance; and
4. "sub-surface drain" means any engineering structure meant to facilities drainage of sub-surface water.

3. The provision of the Ordinance shall take effect notwithstanding anything to the contrary in any other law for the time being in force.

Provisions of the ordinance to be overriding.

4. (1) Government may, on its own motion or on the application of any owner of land or any person interested therein, direct the Authority to frame schemes for the control of salinity and reclamation of land in any local area or a part thereof.

Framing and implementation of scheme.

(2) When a scheme under sub-section (1) has been framed and approved by Government, the Authority shall prepare a notice stating—

1. the fact that the scheme has been framed;
2. the boundaries of the locality comprised in the scheme,

and cause the said notice to be published in the official Gazette. The notice shall also be published in a newspaper or newspapers, for at least seven consecutive days for public information and may be displayed in such other manner as the Authority may deem appropriate to bring the scheme to the knowledge of the persons having interest in the land comprised in the scheme,

5. (1) No person shall, from the date of publication of the notice under sub-section (2) of section 4 in the official Gazette or a deep-rooted tree within the area included in a scheme and specified in the said notice, without prior permission in writing of the Authority, or erect or raise any building or permanent structure over a sub-surface drain.

Restriction on plantation of trees or raising of structure.

(2) The Authority, where satisfied that the plantation of the deep-rooted tree is not likely to harm the sub-surface drains laid or to be laid under the scheme, or does not obstruct drainage in any manner, shall grant the permission requested for. Provided that where it is decided and to grant such permission or to grant it with such restriction s or conditions as the Authority may specify in that behalf, the decision of the Authority shall be final.

(3) It shall be necessary for every person intending to erect or raise any building or permanent structure in a local area to ascertain from the Authority in writing

that the site selected by him for raising any building or permanent structure does not run over a sub-surface drain.

(4) Any deep-rooted tree planted or any building or permanent structure erected or raised in default of the preceding sub-section shall be liable to be uprooted or demolished, as the case may be, at the cost of the defaulter and the defaulter shall not be entitled to any compensation therefor.

Power to enter upon the land, etc. 6. (1) On publication of the notice under sub-section (1) of section 4 in the official Gazette, it shall be lawful for any person or any authority Department or Organization acting under a general or special order of the Authority or of Government to enter upon any land comprised in the scheme with such men, animals, vehicles, appliances and instruments, as may be necessary, and undertake investigation, survey or levels thereon, and dig and bore into the land, and make and set up suitable land marks, pillars, levels marks and water-gauges and do all acts required for the determination of areas and intended lines of works for securing the flow of water and all other acts necessary for the implementation and maintenance of the scheme;

Provided that the functions aforesaid shall be discharged in such manner as to cause the least interference with and the least damage to, the right of the owners in the land:

Provided further that where it is necessary to enter into any building or enclosed court or garden attached to a dwelling house, the occupier of such building, enclosed court or garden shall be given such reasonable notice as the urgency of the case or the circumstances may require, before so entering.

(2) It shall be lawful for any person acting under sub-section (1) to make an entry for the purpose of inspection or search, to open or cause to be opened a door, gate or other barrier,—

1. if he considers the opening thereof necessary for the purpose of such entry, inspection or search; and
2. if the occupier or owner, as the case may be, is absent or being present, refuses to open such door, gate or barrier.

Cases in which compensation is admissible. 7. If any damage is caused to trees, orchards, crops or temporary or permanent structures, already standing on the land comprised in a scheme on the date of notification under sub-section (2) of section 4, during the course of implementation, or, as the case may be, maintenance of the scheme, reasonable compensation, in

the prescribed manner shall be admissible to the owners of such building or structures, or, as the case may be, the owner of such trees, orchards and crops.

Penalty to removing machinery, etc. 8. If any person, without lawful Authority,—  
1. remove any mark set up for the purposes of indicating any levels or direction necessary for the implementation or maintenance of a scheme under this Ordinance; or

1. infringes or does not comply with any order given under this Ordinance.

he shall be punishable with fine which may extend to one thousand rupees.

9. If any person—  
1. damages, alters, obstructs or interferes with any land reclamation operations as to cause damage to the operation or to render it less useful; or  
2. obstructs or molests any person in the performance of his duties under this Ordinance; or  
3. remove any machinery, pipes, gauges, fence, or in any other manner hampers the work in operation; or  
4. plants a deep-rooted tree or erects or raises any permanent building or structure in contravention of section 5,

Penalty for obstruction.

he shall be punishable with simple imprisonment which may extend to three months or with fine not exceeding five thousand rupees or with both.

10. No Court shall take cognizance of an offence under this Ordinance except upon a complaint made in writing by an Officer authorised in this behalf by the Authority.  
11. Where the owner of any temporary structure or tree or other plantations in a local area where a scheme under this Ordinance is in operation is directed by an Officer authorised in this behalf to remove the structure or to up-root any tree or other plantation, the removal or up-rooting whereof is necessary for the implementation or maintenance of the scheme, and he fails to remove the said structure or, as the case may be, to up-root the tree or other plantation, within the period specified in the direction, it shall be lawful for the officer giving the direction to remove the structure or

Cognizance of offence.

Removal of structure, etc.

to up-root the tree or other plantation and the owner shall not be entitled to any compensation therefor.

12. No suit or other proceeding shall lie against Government, the Authority or any other Department or Organization responsible for the implementation or maintenance of a scheme under this Ordinance or against any officer, servant or other person acting under the direction of Government, the Authority or any other Department or Organization, as the case may be, for anything which is in good faith done or intended to be done in pursuance of this Ordinance.

13. Government may make rules for carrying out the purposes of Power to this Ordinance.

Indemnity.

make rules.

## **SCHEDULE** [See Section-2 (b)]

Serial No.	<b>Description of deep-rooted trees</b>
1.	Salix Species (Willow).
2.	Eucalyptus spp (eucalyptus).
3.	Dalbergia sisoo (shishamj).
4.	Tamarix articulata (temarix).
5.	Salmalia malabarica (simal).
6.	Melis azedarach (bakain).
7.	Populus species (popular).
8.	Morus alba(milbery).
9.	Ailenthus glandulosa (heaven tree).
10.	Acacia nilotica (babool/kikar).
